**Case No.: 21-cr-305 (JEB)**

**Exhibit #2006**

**STIPULATION OF THE PARTIES**

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, and the defendant, Sara Carpenter, through her attorneys, agree and stipulate to the following:

**United States Capitol Police Closed Circuit Video Monitoring**

The United States Capitol Police (USCP) operate and maintain closed-circuit video monitoring and recording equipment that captures locations inside and outside of the U.S. Capitol building and on the Capitol grounds. The video equipment timestamps each recording with the date and time at which the footage is captured. The USCP-controlled video equipment was in good working order on January 6, 2021, and video footage recovered from the cameras and equipment with the timestamp of January 6, 2021, is footage from January 6, 2021. The events depicted in the video footage are a fair and accurate depiction of the events as they occurred on January 6, 2021, the timestamps on the recordings are accurate, and the video footage was not altered in any way. The video footage is authentic in that it is what it purports to be.
